

2025-EN

Range extension

New products

We are expanding our collection of individual hangers with 3 new models, patented, designed and developed entirely by Inofix (Reg.C.D.Nº 015034071):

Mod. 2181 ATLAS and Mod. 2182 CALMA

After a long trajectory in the market, Inofix renews and updates its two best-known individual hangers. The new hangers are the evolution of the 2088 "J" type model and the 2086 "arch" type model.

The new 2181 ATLAS and 2182 CALMA models feature an updated design and a significant improvement in their functionality compared to their predecessors, improving the hook's capacity to hold more items of clothing and increasing its load resistance by +25% (going from 2,0kg to 2,5kg).

The old models 2086 and 2088 will no longer be available.

inofix®

Model 2181 ATLAS is with adhesive fixation (optional with screws), and model 2182 CALMA is with adhesive fixation, both available in white, matte black and matte chrome finishes. It is sold in blister packs of 1 unit.

Mod. 2183 TAGA

The new 2183 TAGA model is a medium-sized, sturdy but compact individual hanger with a load capacity of 1,5kg. It has adhesive fixation and is available in white, matte black and matte chrome finishes. It is sold in blister pack of 2 units.

New product

We are expanding our range of accessories for doors and windows with the new CHOCK wedge:

Door wedge CHOCK mod. 3017

CHOCK is a new model of door retaining wedge, with a very modern design and a great anti-slip effect. Soft and pleasant to the touch thanks to its soft material, it can be hung on the door handle when not in use.

This product, designed and developed entirely by Inofix, is available in 6 finishes: ice white, graphite black, olive grey, slate grey, pastel green and saffron yellow.

Its sales format is unitary, as well as a format in a display box to enhance its impulse buying effect.

In the following table you can find the logistics specifications for these references:

EAN code	Article	Colours	Packaging	Packing	EAN carton
8414419301726	3017-2-	Ice white	1 unit	carton 10 blisters	8414419857704

Range extension

New Products

Meeting the market requirements and following the current trends, we expand our collection of retainers adding the mod. 2034 in matt black:

Ref. 2034-8- Door retainer

Set of magnetic retainer and stainless steel plaque.

Adhesive fixation.

For indoor use, mod. 2034 is intended to retaining and keeping a door open, preventing unexpected door slams.

In the following table you can find the logistical specifications for this reference:

EAN code	Article	Colours	Packaging	Packing	EAN carton
8414419203488	2034-8-	matt black	blister 1 unit	carton 10 blisters	8414419858121

With this new addition, the complete range would look like this:

2034-8- matt black

2034-2- white

2034-7- matt chrome

2034-3- golden

2034-6- beige

2034-4- brown

Changes in product presentation

Blister size reduction

Following the corporate image change of Inofix, we have optimized the size of the blister pack of model 3162.

Thus, reference 3162-7- goes from blister measurements of 17.0x8.5x4.3cm to 11.8x8.5x4.3cm, matching the measurements of the same model finished in matte black.

This change will be effective for manufacturing batches starting 15/10/24.

The logistics data of the reference does not vary:

EAN code	Article	Colours	Packaging	Packing	EAN carton
8414419316270	3162-7-	stainless steel	blister 1 unit	box 10 blisters	8414419808997

Product discontinuation

wooden doorstops ref. 2038-8 and 3046-8

Our wooden door stoppers ref. 2038-8 and ref. 3046-8, will be removed from our catalogue and no longer available from the **01/12/2024**.

In the following table you can find the logistic specifications of these references:

New Black Rubber Weatherstrips

In response to the current trend of anthracite grey, graphite or black aluminium windows, we have expanded our range of rubber weatherstrips with the black color in all three self-adhesive profiles:

- K profile (for gaps of 2 to 3.5 mm)
- P profile (for gaps of 3 to 5 mm)
- D profile (for gaps of 3 to 7 mm)

Ref. 2115-3- (black K profile); 2116-3- (black P profile); 2119-3- (black D profile)

Material: EPDM, a rubber-polymer with exceptional insulating properties. EPDM is weather resistant and windproof. It does not crack. It retains its elasticity and shape for a long time. It does not absorb water because the cells that make up this type of rubber are closed.

Service temperature: Suitable for extreme temperatures: -50°C to +70°C.

Long life: 7 to 9 years.

Self-adhesive.

In the following table you can find the logistical specifications for these references:

EAN code	Article	Colours	Packaging	Packing	EAN carton
8414419017443	2115-3-	black	carton 1 unit	carton 24 cartons	8414419858312

8414419017450	2119-3-	black	carton 1 unit	carton 20 cartons	8414419858527

Range extension

Home accessories

Inofix adds a cover for front-loading washing machines to its catalogue, perfect for keeping it in optimal condition, protecting from water and dirt in terraces and sheds.

Its rubber material is not only waterproof and easy to clean, also offers great resistance to moisture and temperature changes.

It also has a zippered front cover, so can use the washing machine while it's covered.

1377-1- (grey)

In the following table you can find the logistical specifications for this reference:

EAN code	Article	Colours	Packaging	Packing	EAN carton
8414419017542	1377-1-	Grey	bag 1 unit	carton 20 bags	8414419858602

Range extension

Home accessories

To complement our new laundry care range, we are adding two essential accessories:

Model 1374 Ironing Board Cover fasteners: Set of 3 tensioners in two different sizes to keep your board cover smooth and wrinkle-free, ensuring a firm, even surface for faster, more precise ironing.

Model 1373 Silicone Iron Rest: Practical, heat-resistant (250°C), and non-slip. This accessory allows you to rest your iron safely and securely without damaging surfaces.

In the following table you can find the logistical specifications for these references:

EAN code	Article	Colours	Packaging	Packing	EAN carton
8414419017511	1374-1-	white-grey	blister 3 units	carton 12 blisters	8414419858572

Range extension

Door stop

Inofix expands its range of door stops and retainers, incorporating a new solid door stop, without screws or adhesive fixation.

This is a weight-retaining door stop with a dual function. Behind the door, it cushions the impact, protecting the wall, while in front it acts as a retainer.

3187-1- (steel)

Model 3187 is a 1kg metal cylindrical door stop with a durable shock-absorbing O-ring to soften the impact.

In addition, the product's packing box can be used as a 6-unit display box.

In the following table you can find the logistical specifications for this reference:

Hooks

We are expanding our picture hanger collection by incorporating steel pin picture hangers in black and white into our catalogue.

3003-2- (white)

3003-3- (black)

These pin hangers offer a quick and practical solution for hanging pictures without the need for tools.

They support a maximum weight of 8 kg per hook, and up to 16 kg when two hooks are overlapped.

In the following table you can find the logistical specifications for these references:

EAN code	Article	Colours	Packaging	Packing	EAN carton
8414419300323	3003-2-	white	blister 8 units	carton 12 blisters	8414419860728
8414419300330	3003-3-	matt black	blister 8 units	carton 12 blisters	8414419860742

Range extension

Hooks

We are expanding our fabric door stop collection by incorporating four new models:

3185-7- (grey pug)

3186-8 (black gorilla)

3188-6- (brown llama)

3189-2 (beige dog)

These fabric doorstops are perfect for preventing doors from slamming shut due to drafts.

Made of polyester fabric and filled with synthetic cotton and sand.
Each one weighs 1 kg.

In the following table you can find the logistical specifications for these references:

EAN code	Article	Colours	Packaging	Packing	EAN carton
8414419318571	3185-7-	Grey pug	unit 1 unit	bag 2 units	8414419860858
8414419318687	3186-8-	Black gorilla	unit 1 unit	bag 2 units	8414419860872
8414419318861	3188-6-	Brown llama	unit 1 unit	bag 2 units	8414419860896
8414419318922	3189-2-	Beige dog	unit 1 unit	bag 2 units	8414419860919
