

BIENVENIDO /
WELCOME

NUESTRA EMPRESA

Inofix es la marca que identifica una extensa gama de productos cuyo objetivo es ser la solución práctica e innovadora a la multitud de necesidades que plantea la habitabilidad de un hogar o espacio.

OUR COMPANY

Inofix is the brand name that identifies a wide range of products whose goal is to provide practical, innovative solutions to DIY jobs done around the home and beyond.

CARÁCTER CREATIVO CREATIVE CHARACTER

DESDE / SINCE

1972

Inofix nace el año 1972. Desde entonces mantenemos la idea inicial de fabricar y comercializar productos de diseño propio en el sector de la ferretería y bricolaje. Otras marcas de nuestros productos son Cablefix y Plasfix.

Inofix was born in 1972. Since then, we have remained true to our initial idea of manufacturing and selling our own design products in the hardware and DIY sector. Our products are also sold under the Cablefix and Plasfix brand names.

PRESENCIA INTERNACIONAL

La proyección hacia mercados exteriores ya es una realidad en los inicios de la empresa, pero es a partir del año 1986 que se apuesta por el crecimiento en esta dirección con la participación en la principal feria del sector en Europa, la International Eisenwaremesse en Colonia, Alemania. Actualmente Inofix está presente en 30 países y en más de 14.000 puntos de venta.

INTERNATIONAL PRESENCE

From the time we set up our business, we began exploring foreign markets. However, the real boost in our growth abroad came in 1986 when we exhibited at the sector's main trade fair in Europe, the Internationale Eisenwaremesse in Cologne, Germany. Inofix currently trades in 30 countries through over 14,000 points of sale.

SOSTENIBILIDAD Y MEDIO AMBIENTE

Establecemos políticas sostenibles y procedimientos respetuosos con el medio ambiente. En 1998 se firma contrato con la organización Ecoembes para la Gestión Integral de Residuos. Posteriormente nos adherimos al Plan Sectorial de Prevención, donde la empresa se compromete a reducir progresivamente los envases de sus productos.

SUSTAINABILITY AND THE ENVIRONMENT

We have adopted sustainable policies and environmentally procedures. In 1998, we signed an agreement with Ecoembes, a not-for-profit organisation that devises integrated waste management systems. Subsequently, we signed up to a sector-based waste prevention plan, whereby the company made a commitment to gradually reduce the packaging of its products.

En el año 2013 Saint Genís S.A. obtiene los certificados PEFC con el objetivo de incentivar la cura y trato con el medio ambiente así como también el uso responsable de nuestros bosques. Con estos certificados garantizamos que la actividad de nuestra empresa se está desarrollando bajo criterios de sostenibilidad forestal.

In 2013, Saint Genís, S.A. obtained the Pan European Forest Certification in order to encourage environmental protection, as well as the responsible use of our forests. By holding these certifications, we are able to guarantee that our company conducts its business according to sustainable forestry criteria.

DISEÑO E INNOVACIÓN

El desarrollo de nuestros propios diseños y nuevos conceptos de producto, a menudo patentados, nos permite diferenciarnos y posicionarnos en la mente del consumidor como marca de referencia en diseño y calidad.

DESIGN AND INNOVATION

By developing our own designs and new concepts, most of which are patented, we have been able to set ourselves apart from the rest to become a leading brand of design and quality in the minds of consumers.

ACCESORIOS PARA PUERTAS Y VENTANAS - RETENEDORES DE PUERTA
COMPLEMENTS FOR DOORS AND WINDOWS - DOOR RETAINERS

1

POSICIÓN TOPE
Actúa como tope con impacto amortiguado. El imán está escondido y no actúa con los impactos normales.

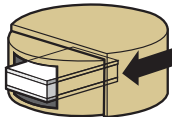

DOOR STOP POSITION
Acts as a stop, cushioning the impact. The magnet is at rest and does not come into action on impact.

2

POSICIÓN RETENEDOR
Presionando la puerta contra el tope, la plaquita metálica atrae al imán y la puerta queda retenida.

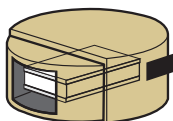

RETAINER POSITION
When the door is pushed against the stop, the magnet moves and the door is held.

3

RETORNO AUTOMÁTICO
Separando la puerta del tope, el imán vuelve automáticamente a su posición de reposo.

AUTOMATIC RETURN
When the door is moved away from the stop, the magnet returns automatically to its position.

¿Cuál es la frontera entre el frío y el calor?

Where is the frontier between cold and warmth?

Con nuestros burletes, aislantes del frío y del calor, se consigue una inmejorable protección térmica y un gran ahorro de energía.

Ours draught excluders afford unbeatable insulation against cold and heat, resulting in savings on fuel bills and ensuring a pleasant atmosphere indoors.

BURLETES DE SILICONA · SILICONE DRAUGHT EXCLUDERS

CARACTERÍSTICAS TÉCNICAS:

- Los burletes de silicona poseen propiedades especiales debido a que son elaborados con uno de los materiales más nobles.
- Conserva sus excelentes propiedades mecánicas a temperaturas extremas (desde -100°C hasta +250°C).
- Larga vida útil (más de 10 años). Mantiene sus propiedades con el paso del tiempo.
- Sometido a compresión siempre recupera su forma inicial. Amplio rango de aplicación: de 1 a 7mm.
- Gran resistencia a la intemperie (UV ozono). Repele el agua.

TECHNICAL SPECIFICATIONS:

- Silicone draught excluders have special properties because they are made from one of the finest materials.
- They maintain their excellent mechanical properties at extreme temperatures (from -100°C to +250°C).
- Long service life (more than 10 years). They maintain their properties over time.
- After they have been under pressure, they always return to their initial shape. Wide range of application: from 1 to 7 mm.
- High weather-resistance (UV-ozone). Water-repellent.

Perfil "Ω"
Profile "Ω"

Medidas producto
Product measures
7 x 9 mm x 6m.

2110
Burlete de silicona universal auto-adhesivo.
Universal self-adhesive silicone draught excluder.

BURLETES DE CAUCHO · RUBBER DRAUGHT EXCLUDERS

CARACTERÍSTICAS TÉCNICAS:

- Burletes de EPDM, un caucho-polímero que posee excepcionales características como aislante.
- El EPDM es resistente a la intemperie y al viento. No se resquebraja.
- Conserva su elasticidad y su forma tras prolongados períodos de uso.
- Se adapta a espacios de distinta anchura.
- No absorbe el agua gracias a que las celdas que componen este tipo de caucho son cerradas.
- Adecuado hasta temperaturas extremas: -50°C a +70°C.
- Larga vida: de 7 a 9 años.

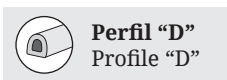

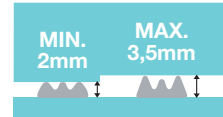

TECHNICAL SPECIFICATIONS:

- Draught excluders made of EPDM, a polymer rubber with exceptional insulating properties.
- EPDM is weather-resistant and wind-resistant. It does not crack or split.
- It keeps its elasticity and shape even after prolonged use.
- It adapts to spaces of different widths.
- It does not absorb water as the cells in this type of rubber are closed cells.
- Suitable for extreme temperatures: -50°C to +70°C.
- Long lasting: 7 to 9 years.

Fijación con tornillo
Fixation with plug

Fijación con taco mod.3100 de material aislante de poliamida. Sustituye tornillo y taco convencional.

Fixation with plug mod. 3100 made of polyamide insulation material. It substitutes the conventional screw and plug.

Fijación adhesiva
Adhesive fixation

Fijación con adhesivo de espuma de 1mm de grosor.

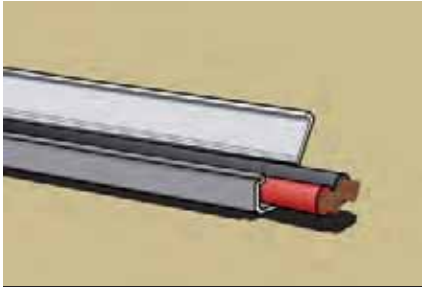

Fixation by self-adhesive foam 1mm thickness.

CARACTERÍSTICAS TÉCNICAS:

- CЄ Marcado CE conforme al RBT (Reglamento Baja Tensión).
- Cumple Directiva Europea sobre el NO uso de sustancias peligrosas (ROHS).
- Conforme normas UNE-EN-50085-1:2006 y UNE-EN-50085-2-1:2008, y directivas 73/23 CEE y 93/68 CEE.
- Temperatura de servicio -5°C, +60°C.
- Protección contra impactos IPXX3 (canaletas con tapa incorporada).
- Protección contra impactos IPXX5 (canaletas con tapa independiente).
- Grado de protección IP40 (en todos los modelos).
- Colores: Blanco RAL 9003 – Decorado: roble, cerezo, sapelly, gris metalizado y negro.
- Gama de accesorios de enlace disponibles para los diferentes acabados.

TECHNICAL CHARACTERISTICS:

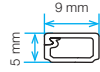

- CЄ mark conforming to LTR (Low Tension Regulation).
- It complies with the European Restriction of the Use of Certain Hazardous Substances (ROHS).
- It meets UNE-EN-50085-1:2006 and UNE-EN-50085-2-1:2008, and directives 73/23 CEE – 93/68 CEE.
- Service temperature -5°C, +60°C.
- Impact protection IPXX3 (cable duct with incorporated cover).
- Impact protection IPXX5 (cable duct with independent cover).
- Protection degree IP40 (in all models).
- Colours: White RAL 9003 – Decorated: oak, cherry tree, sapelly, metallic grey and black.
- Range of linking accessories available for different finishes.

36x107x13 mm

PROPIEDADES

- Impide la apertura de armarios, frigoríficos, inodoros, etc...
- Gran adaptabilidad a múltiples aparatos domésticos gracias a su correa flexible.

FEATURES

- Prevents children from opening cupboards, fridges, the bathroom, etc.
- Can easily adapt to multiple appliances thanks to its flexible strap.

◀ 5102

Cierre de seguridad multiuso ajustable.

Fijación adhesiva.

Adjustable Multipurpose Safety Lock.
Adhesive fastening.

Medidas producto:

Product measures:
56x210x14 mm

PROPIEDADES

- Impide la apertura de armarios, frigoríficos, inodoros, etc...
- Gran adaptabilidad a múltiples aparatos domésticos gracias a su correa flexible.

FEATURES

- Prevents children from opening cupboards, fridges, the bathroom, etc.
- Can easily adapt to multiple appliances thanks to its flexible strap.

◀ 5103

Cierre de seguridad lateral.

Fijación adhesiva.

Lateral Safety Lock.
Adhesive fastening.

Medidas producto:

Product measures:
41x76x76 mm

PROPIEDADES

- Impide la apertura de cajones.
- El recubrimiento de material antideslizante facilita el uso.

FEATURES

- Prevents children from opening drawers.
- The anti-slip surface makes it easy to use.

2

◀ 5104

Cierre de seguridad lateral con pestillo.

Fijación adhesiva.

Lateral Safety Lock with Latch.
Adhesive fastening.

Medidas producto:

Product measures:
44x83x83 mm

PROPIEDADES

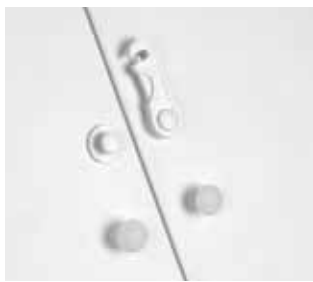

- Impide la apertura de cajones.
- El recubrimiento de material antideslizante facilita el uso.

FEATURES

- Prevents children from opening drawers.
- The anti-slip surface makes it easy to use.

2

◀ 5105

Cierre de seguridad frontal.

Fijación adhesiva.

Exterior Safety Lock.
Adhesive fastening.

Medidas producto:

Product measures:
35x98x16 mm

PROPIEDADES

- Impide la apertura de armarios.
- Adaptable también para cajones extraíbles.

FEATURES

- Prevents children from opening cabinets.
- Can also be adapted to drawers.

2

◀ 5106

Cierre de seguridad para armarios.
Safety Slide Lock for Cabinets.

Medidas producto:
Product measures:
17x246x57 mm

PROPIEDADES

- Impide la apertura de armarios.
- Interior reforzado con un material blando que no daña los tiradores.
- Distancia máxima entre tiradores: 12,8cm.

FEATURES

- Prevents children from opening cabinets.
- Interior reinforced with a soft material that won't damage handles.
- Maximum distance between handles: 12.8 cm.

2

◀ 5107

Cierre de seguridad interno para armarios y cajones. Fijación con tornillos (incluidos).
Interior Safety Lock for Cabinets and Drawers. Screw fastening (screws included).

Medidas producto:
Product measures:
48x45x85 mm

Más información:
More information:

PROPIEDADES

- Impide la apertura de armarios y cajones.
- Su instalación es interna, por lo que queda oculta y no altera la estética del mobiliario.

FEATURES

- Prevents children from opening cabinets and drawers.
- It is installed on the inside of cabinets and drawers, hiding it from view and preserving the furniture's aesthetics.

9

5214

Medidas producto:
Product measures:
13x97x105 mm

PROPIEDADES

- Evita que el niño se pille los dedos al cerrar la puerta.
- Al ser un material blando no daña la puerta.

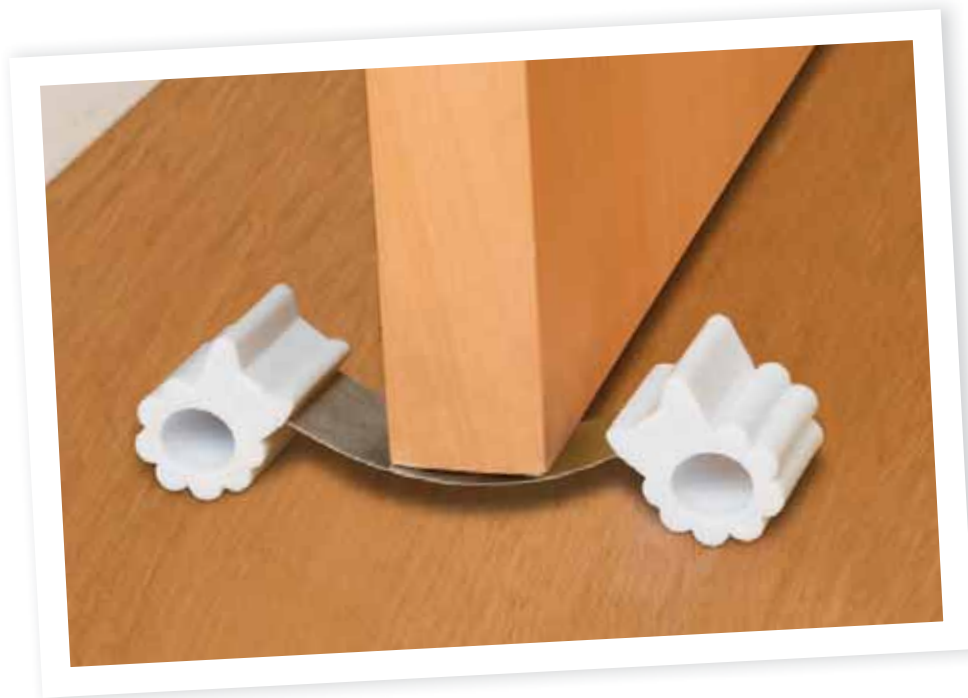

FEATURES

- Prevents children from slamming their hands in the door.
- Its soft material won't damage doors.

RETENEDOR FLEXIBLE PARA PUERTAS

Door flexible retainer

5203 ▶

Retenedor de puerta flexible.
Flexible door holder.

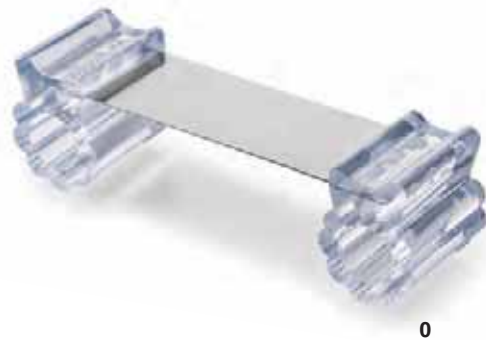

Medidas producto:
Product measures:
38x128x36 mm

PROPIEDADES

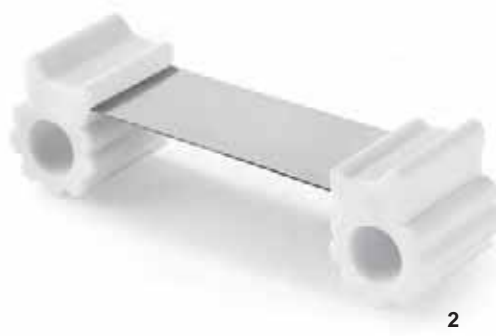

- Flexible.
- Bloquea la puerta, impide su cierre y evita que el niño se pille los dedos.
- Evita los impactos contra la pared y los cierres violentos a causa de la acción del viento, por ejemplo.
- Los extremos de goma no dañan el suelo.
- Fácil instalación, no precisa herramientas.
- Reposicionable.

FEATURES

- Flexible.
- Blocks and keeps the door open, thus preventing children from slamming their hands.
- Prevents hitting the door against the wall or slamming it shut due to wind, for instance.
- Plastic ends do not damage the floor.
- Easy to install, no tools required.
- Can be rearranged.

2

BLOQUEADOR DE SEGURIDAD PARA PUERTAS Y VENTANAS CORREDERAS

SAFETY BLOCK FOR SLIDING DOORS AND WINDOWS

1

Más información:
More information:

▲
5201

Medidas producto:
Product measures:
25x127x14 mm

PROPIEDADES

- Limita la apertura total de puertas y ventanas correderas.
- Su forma de cuña permite adaptarse a cualquier tipo de puerta o ventana corredera sin dañarlas.
- La fijación con cinta adhesiva auto-adherente permite retirar la cuña y abrir en su totalidad puertas y ventanas.

FEATURES

- Restricts how wide sliding doors and windows can be opened.
- Its wedge shape means it will fit any type of sliding door or window without damaging it.
- As the block is stuck into place with self-adhesive tape, it can be removed to fully open doors and windows.

PROTECCIÓN EN BAÑERAS Y DUCHAS

SERVICIO DE ATENCIÓN AL CLIENTE/ /CUSTOMER SERVICE

Le facilitamos toda la información de los productos y le ayudamos a resolver sus dudas técnicas.

Realizamos el seguimiento de sus expediciones y gestionamos eficazmente las incidencias que pudieran surgir.

We provide you with full information about our products and help you resolving any technical doubt you may have.

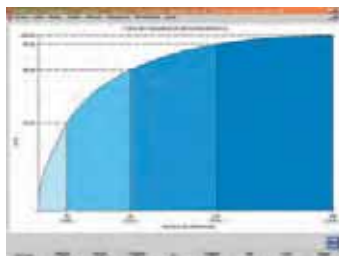

We track all of your orders and give an immediate response to any incidents that may arise.

TRABAJAMOS CON USTED/ /WE WORK WITH YOU

**PASO
STEP**

1

ESTUDIO

A partir de nuestro conocimiento sobre el mercado, elaboramos informes y estadísticas para cada familia de productos.

STUDY

We draw up reports and statistics for each product family based on our knowledge of the market.

**PASO
STEP**

2

ANÁLISIS

Analizando las ventas de nuestros clientes podemos establecer que surtido de productos es el óptimo para cada punto de venta.

ANALYSIS

We analyse our customer sales in order to provide the most suitable selection of products for each point of sale.

**PASO
STEP**

3

IMPLANTACIÓN

Proponemos la disposición espacial de las referencias para que se genere una mayor rotación en el punto de venta.

IMPLEMENTATION

We suggest how our best sellers should be arranged in each point of sale to ensure greater turnover.

COMPRA POR IMPULSO/ IMPULSE BUYING

Para dinamizar el punto de venta disponemos de varias soluciones para facilitar la exposición. Nuestras presentaciones impulsan la venta centrando la atención sobre el producto y destacando sus cualidades.

We can offer a variety of display options to boost sales in retail outlets. Our displays drive sales up by drawing attention to our products and highlighting their qualities.

◀ RISTRAS

Colgar los blisters en ristras posibilita la venta cruzada.

STRIPS

Hanging blister strips stimulates sales.

◀ BOLSAS

La presentación en bolsa permite ofrecer una mayor cantidad de producto a un menor coste para el consumidor.

BAGS

Bag presentation makes selling in bigger quantities possible, at a lower price for consumers.

◀ EXPOSITORES SOBREMESA

Los distintos expositores facilitan la venta en mostradores o en las zonas bajas de los lineales.

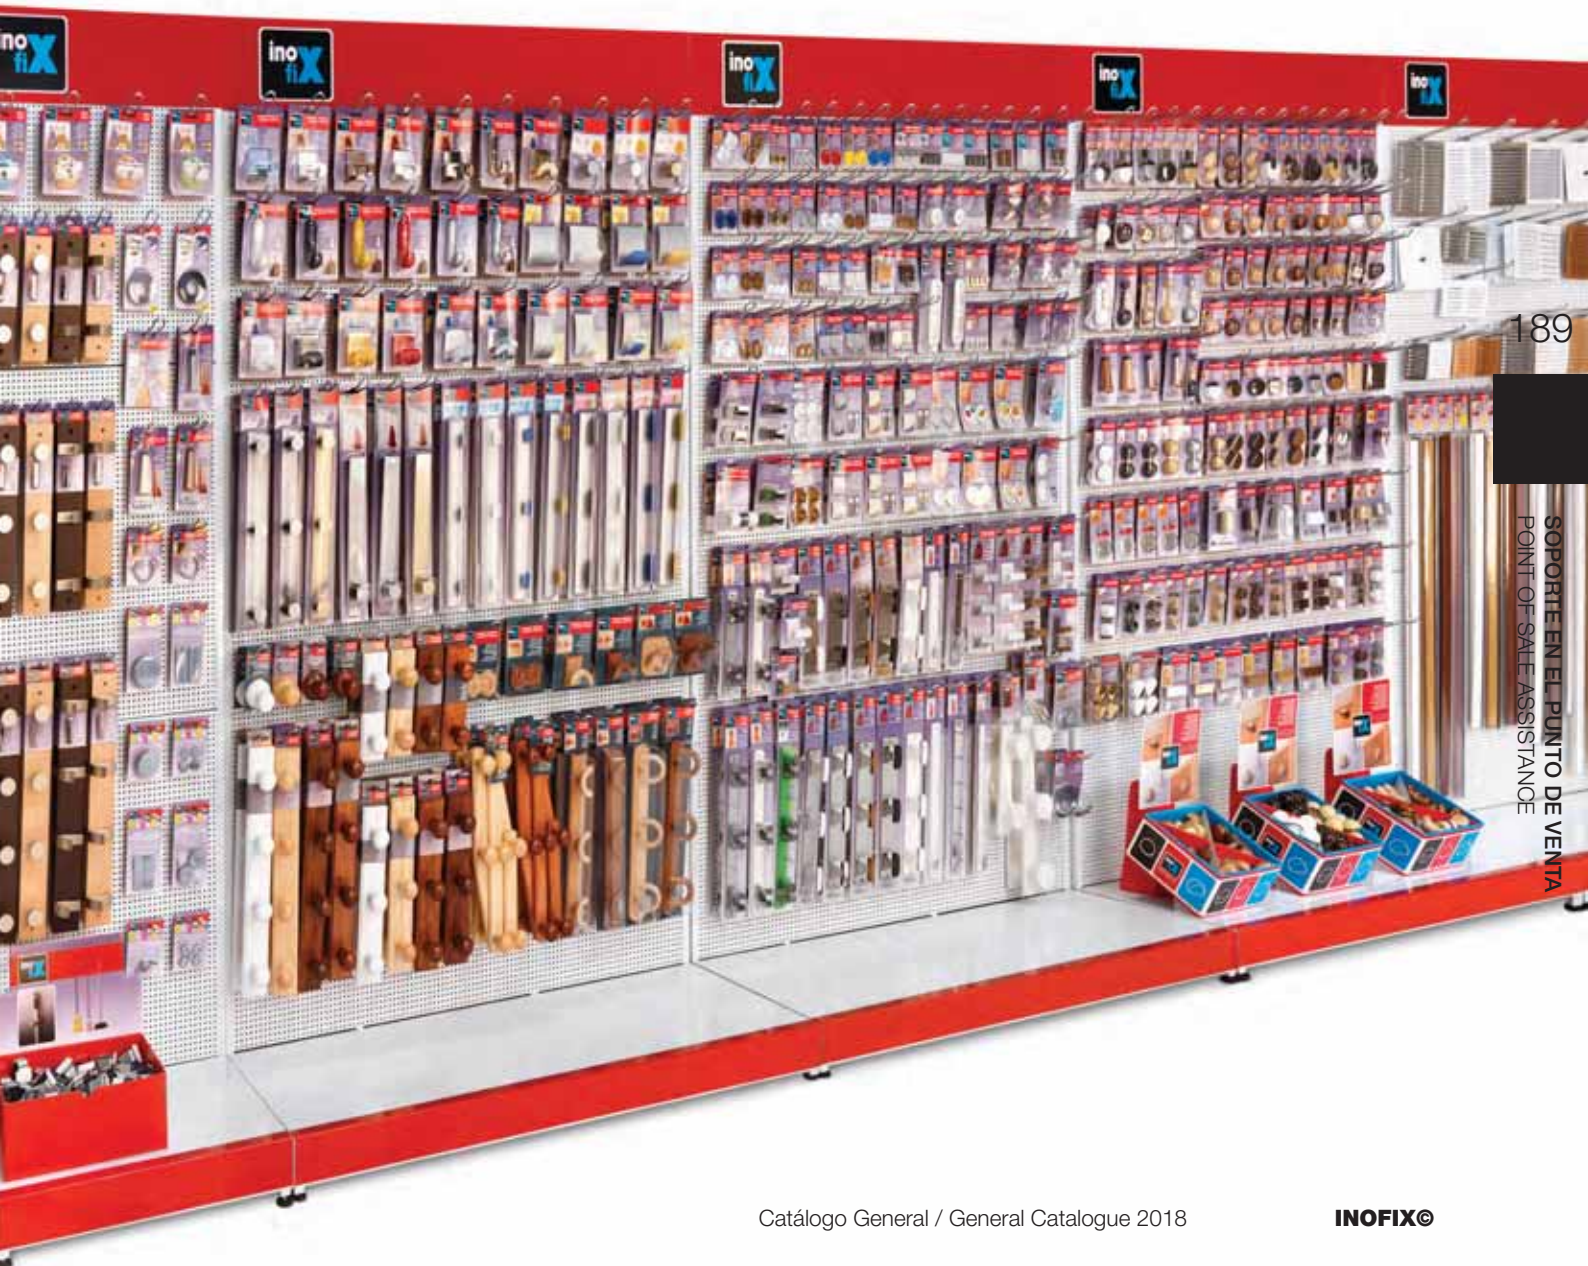

◀ COUNTER DISPLAY BOXES

To promote sales. Suitable for counters and for shelves in the stores.

EXPOSITORES Y MATERIAL P.L.V/ /DISPLAY RACKS AND P.O.S MATERIAL

Para facilitar la labor del punto de venta y maximizar la exposición de productos, colaboramos con displays y expositores pensados para múltiples espacios.

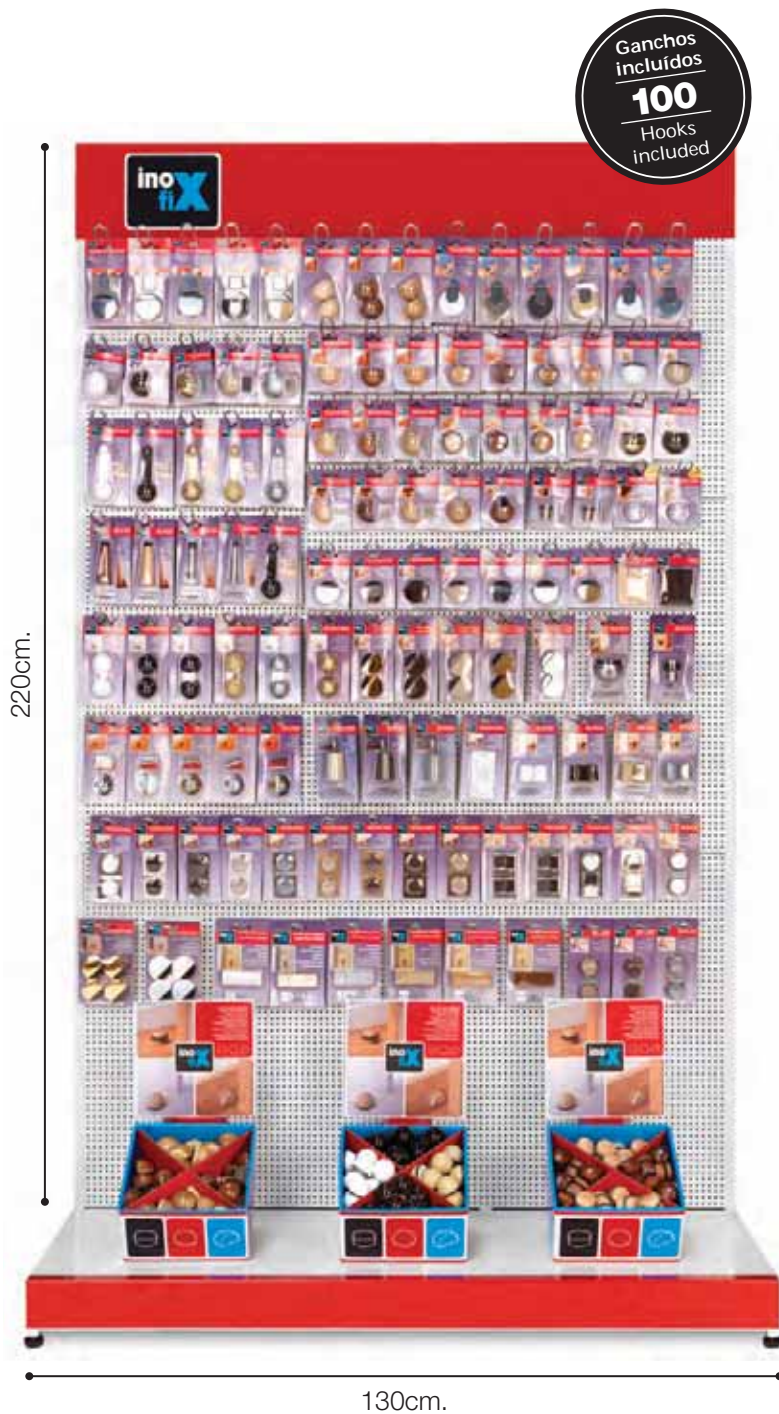

In order to make the work of points of sale easier and display as many products as possible, we have designed display racks to fit in different spaces.
